Garbage Pail Kids (GPK) Brand Overview

- **Garbage Pail Kids**

- A uniquely hilarious group of kids who are as endearing as they are gross. With original hand-painted art, an endless universe of new characters, and a heavy dose of wit, Garbage Pail Kids have been delivering laughs **since 1985!**

- **Why We Love GPK**

- Kids love the fascinating gross-out humor that's unlike anything else they've seen.
- Adults love the nostalgia of an icon from their youth, and keep coming back for more of the layered humor that ranges from puns to visual gags to parodies.

Introducing the next hot GPK platform... Chrome!

In 2013, **Garbage Pail Kids** will combine Chrome Technology with a reprint of the entire 1985 GPK Original Series 1; the brand's first product release.
